

JOSHUA WORRALL

ASPIRING MOTORSPORT ENGINEER

Winterton, North Lincolnshire | josheworrall@gmail.com | Phone on request | worrallengineering.com

■ ABOUT ME

Motivated 2026 school leaver now studying for a City & Guilds Level 2 Certificate in Light Vehicle Maintenance & Repair Principles at North Lindsey College. I have already spent time helping a race team in the workshop and trackside at Cadwell Park, and I am looking for paid part-time work alongside my course, plus further work experience and an apprenticeship in the motor trade. Reliable, punctual and happy to get my hands dirty.

■ EDUCATION

Light Vehicle Maintenance & Repair Principles

2026 to Present

City & Guilds Level 2 Certificate, North Lindsey College, Scunthorpe

Studying vehicle systems, servicing, diagnostics, repair procedures and workshop health and safety.

GCSEs, Winterton Community Academy

Completed 2026

ENGLISH LIT	ENGLISH LANG	MATHS	SCIENCE
6	4	4	4/3

■ WORK EXPERIENCE

Work Experience, Race Event

7 & 9 August 2026

CTS Motorsport, Cadwell Park

- Cleaning and preparing Caterham race cars
- Race wheel and tyre washing
- Removing and refitting wheels
- Torquing up wheel bolts to specification
- Draining fuel and refuelling cars
- Removing engine covers
- Checking oil levels
- Checking coolant levels
- Packing the garage and cars away at the end of the event

Work Experience, Race Workshop

28 July 2026

CTS Motorsport, Kirton in Lindsey

- Cleaning and preparing Caterham race cars
- Race wheel and tyre washing
- General workshop cleaning and upkeep

■ SKILLS & QUALITIES

- **Good with my hands** - I like finding out how things work
- **Quick to learn** - I listen and get on with it
- **Hard working** - happy to do the dirty jobs too
- **Reliable** - I turn up on time and do what I say I will
- **Good in a team** - I get on with people and muck in
- **Know what I want** - set on a career working on cars

■ WHAT I AM LOOKING FOR

- Paid part-time, evening or weekend work
- Work experience in a garage, workshop or race team
- An apprenticeship alongside or after my Level 2 course
- Learning from experienced mechanics

■ INTERESTS

Motorsport of all kinds, from club racing to Formula 1. I attend race events whenever I can and enjoy learning how race cars are built, set up and maintained.
